

## Local Interests In Hearing Approve New 89 Alignment

### Route Will Provide Large Recreation Area At Prosser Project

Spokesmen representing all interests concerned with the relocation of State Route 89 north of Truckee, to make way for the construction of the new \$5,000,000 Prosser Creek reservoir, expressed themselves as approving alternate Route A, the most westerly and most direct of the three routes proposed.

A public meeting, called by the state division of highways and conducted by District Engineer Alan S. Hart, was held Tuesday at Veterans Memorial Building where the proposed new expressway was explained.

Route A will cost approximately \$1,250,000 and will be only 6.5 miles long, while Route B, which would skirt the reservoir on the west, would be 7.5 miles in length and cost \$1,390,000. Route C, which would cross the Prosser reservoir dam, and go easterly from the present route, would cost \$1,450,000 and be 8.9 miles in length.

All three of the proposed routes would leave the present road about a mile north of Truckee and rejoin it near Hobart Mills.

A Truckee Donner Chamber of Commerce resolution adopted at a meeting last week, strongly urged Route A and was read into the proceedings of Tuesday's meeting. Officials of the U. S. Forest Service, the bureau of reclamation, Fibreboard Corporation and Supervisor H. G. Loehr and A. G. Parsons of the Nevada County Planning Commission, gave approval to Route A.

The present road, which will revert to the county, provides easy access to the dam site from both sides, following the general alignment of proposed Route C. Access roads will be provided and will make possible the ultimate development of an ideal camp and picnic site on the west side of the reservoir. Provision is also being made to preserve the site of the Donner Camp on Alder Creek, this area being skirted by the new highway on the west.

While the meeting Tuesday does not necessarily mean the route will be adopted by the California Highway Commission, it does signify the wishes of those locally concerned and it is expected that the commission will concur, since the distance is shorter and the cost less than the other two routes.

Following the meeting, Hollis Hunt of Carson City representing the reclamation bureau, said it is hoped to have work on the reservoir started this summer. Engineering, rights of way, park facilities and other costs will be in the vicinity of \$5,000,000 he estimated.

He also said that the bureau proposes to establish a 20 to 30-unit trailer court in the vicinity of Boca for use by the bureau people while work is going on on the project.

### LIBRARY VACATION PERIOD ANNOUNCED

Patrons of the Community Center Library are reminded it will be closed throughout the spring vacation, March 23-27. It is believed that few will be using the library at this time and by closing now it will shorten the summer vacation closing by one week. Ordinarily the library is closed for two weeks sometime in mid-summer while the staff takes their vacations.

Books checked out that are due March 27 will be renewed to March 30.

### POT LUCK SUPPER IS PLANNED BY GROUP

KINGS BEACH—A pot luck supper is being planned by the square dancers to be held Saturday evening at 7:30 in Carpenters Hall at Kings Beach, according to Sophie Leira.

There will be no dance this Saturday evening, March 21, the group enjoying a session last week.

All visitors and beginners are welcome to attend and join in the congenial gathering.

### JOHNS RESIGNS AS TRUCKEE DEPUTY

Roger Johns, who has been on the sheriff's staff here for the past two years, has resigned effective yesterday. The deputy said his plans for the future are indefinite but that he plans to continue police work.

Sheriff Wayne Brown said no successor to Johns has been named but that a number of applications are being considered.

In Hospital—

Frank Giovannoni, Jr., left Tahoe Forest Hospital after having influenza for several days last week and his mother, Mrs. Frank Giovannoni was admitted, the same week, suffering from pneumonia. Both are reported on the road to recovery.

### Emerald Bay Road Has Early Opening Due to Light Snow

State Highway 89 was clear of snow and reopened to traffic Tuesday on the west shore of Lake Tahoe, the state division of highways reported.

The reopening is a month or more earlier than last year because this winter's snows have been relatively light, F. E. Baxter, maintenance engineer of the division explained.

"We had no particular problem, this year," he said. "And unless we have some late storms, we expect the road to stay open."

The route skirts the steep shores of Emerald Bay, and a controversy has been raging over whether the mouth of the bay should be bridged to insure an all-weather highway.

### Man, Three Boys Jailed For Damage

Raymond Dixon, 22, Truckee and three teen-age boys, who have been involved in previous scourgings with the law, were booked at the local jail Saturday night on charges of malicious mischief, violating the county's sobriety ordinance, the alcoholic beverage control code, and Dixon for contributing to the delinquency of minors.

The arrests followed the destruction of a barber pole in front of Jim's Barber Shop, the act being witnessed by Mrs. John Ciardella, who reported it to the officers. Deputies Roy Waters, Leo Zander and Robert Schooley responded and noticed Dixon and the three across the street.

Zander took Dixon and one of the boys into custody but the two others fled and disappeared across the tracks. Later they were apprehended and booked.

None of the juveniles would divulge their source of liquor supply, one contending that he had not been drinking and another stating that he had been drinking wine in the basement of his home, adding that it was part of the loot taken in a robbery of the Truckee Coca-Cola plant last year. However, records reveal that no wine was taken in the crime.

One of the teen-agers is currently a ward of the court for his part in the Coca-Cola burglary.

### CHILDREN'S PARTY AT TAHOE WAS SUCCESS

TAHOE CITY—The children's party given by Tahoe City Rotary Club the evening of March 10 turned out to be more of a success than expected. Tables had been set for 86 but when seating for dinner took place 16 Rotarians got up to give their places to children. Some of the men went to the small Blue Room to be served while others were obliged to wait for a second seating in the main dining room.

After the chicken dinner the entire group enjoyed tricks of magician Ken Arnold of Auburn, California. He was accompanied by his wife.

Before dinner, President Martin Spitsen had each Rotarian introduce the two to four youngsters he brought.

The Tahoe City Rotary Club is 200 percent in contributions to the international student exchange fund, Secretary Harold Farr reported.

### FREITAS MEMORIAL RACE ON SATURDAY

SUGAR BOWL—The annual Bill Freitas memorial giant slalom, sponsored by the Oakland Ski Club and approved by the FWSA, will be held Saturday at the Sugar Bowl with approximately 100 racers entered. The course will be set by Junior Bounous, ski school director.

The Alpine-Viking grudge race will take place the same day on the same course.

The Eagle Standard race will be held Sunday and a full program of events is slated for the Easter week, with a contest every day from Sunday through Sunday, ending with an Easter egg hunt and the Walt Disney perpetual trophy race for children 11 and under on March 29.

The sixth annual Sugar Bowl Family Race will be held on March 27th with a torchlight parade on Mt. Disney on the 28th following the junior championships.

Recovering—

Friends of Mrs. Daven Morey are glad that she is recuperating from influenza.

### Utility Purchases Hill Top Property From Auburn Bank

#### Plans Indefinite As Board's Low Bid Accepted In Public Sale

The Truckee Public Utility District this week was notified that it was the successful bidder for the 69 acres of land and improvements comprising the Hilltop Lodge property just south of Truckee.

The utility board submitted a bid of \$25,150 and although there were other offers ranging up to \$37,000, the local bid, because of the nature of its business as a community serving utility, was accepted by the Bank of California at Auburn, with the understanding that the property be used for recreational purposes.

Manager Daven Morey of the district said no definite plan has been made for use or disposal of the property, and whether or not it will be kept and developed as a community enterprise, or sold or leased, is still not decided.

Morey said that the money for the purchase was part of that which came from the sale of property west of here to the State of California for a routing of U. S. Highway 40.

"Some criticism has been expressed over the district's purchase of the property," Morey said, "but the majority of the board felt that the terms were too good to pass up and that benefits to the community more than compensate for the criticism expressed."

Opponents expressed the belief that the district should not engage in the real estate business but adhere closely to the prime object of supplying power and water to the community.

Proponents, on the other hand, believe that the investment is a wise one and that the whole district will benefit regardless of whether the area is developed or disposed of at a profit.

### TRUCKEE 4-H CLUB WILL VISIT AUBURN

Members of Tahoe-Truckee 4-H Club will go to Auburn, April 11 where they will meet with other member clubs for demonstrations and visiting.

The local group arranged a display in the local school during the national week of the country wide organization.

Karen Carroll and John Wirta recently became members here. A tidy sum was reported earned by a February cake sale.

### GRASS VALLEY BOY WINNER IN CONTEST

Chester Ramey of Grass Valley, District 21 winner of the United Nations Pilgrimage for Youth contest, was declared the area 3 winner last Sunday at the speech contest held in the I. O. O. F. Hall at Truckee, with Judy Hilton of Quincy as alternate winner.

The group was welcomed by Leonard Vind, D.D.P. of District 21 and also introduced the area chairman, Evelyn Hall of Greenville.

Mrs. Hall outlined the interesting tour to be taken by a youth who will be declared the regional winner.

Judges at the affair were Minor Rootes, Jim Sherritt and Rev. John Taylor.

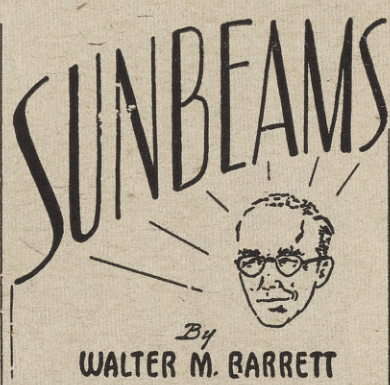

Following the speeches Mrs. Georgianna King played violin selections, accompanied by Barbara Taylor. Renee Hall danced two numbers.

More than forty attended and enjoyed refreshments served by members of Naomi Rebekah Lodge No. 2.

### SCHAEFFLER TO SET SHASTA SKI COURSE

Veterans competing in this season's national veterans downhill and slalom championships at Mt. Shasta, March 28-29, will experience the feel and the thrills of "Olympic caliber" courses; Willy Schaeffler, director of ski events and chief of courses for the 1960 Winter Olympics has consented to break his busy schedule of course preparations at Squaw Valley to take a busman's holiday at Mt. Shasta.

Schaeffler, Denver ski coach, who really put the Denver University team on the map in the past few years will be chief of courses for the national veterans events and will offer his invaluable assistance and advice toward successful conduct of the contest.

### Commissions Will Discuss Bay Span In Meeting Today

#### Meeting Not Designed For Public As Groups In Disagreement

SACRAMENTO — (CNS) — A hearing of the state park commission and highway commission, scheduled for March 19 to consider construction of a low-level route around Emerald Bay, at the west end of Lake Tahoe, will be for the exchange of ideas between the two bodies and not for public participation.

The meeting will be open to the public, however.

The state division of highways has recommended construction of a low-level route through the area which now is blocked much of the year by snow and slides. It would feature a bridge across the mouth of Emerald Bay.

However, the park commission has blocked construction of the road and bridge because it would cut through the D. L. Bliss and Emerald Bay state parks. A resolution in the legislature, SCR13 by Sen. Swift Berry (R-Placerville), has been approved by the senate but is held up in an assembly committee, pending the March 19 hearing. It would direct the Division of Highways to proceed with construction of the low-level, bridge route.

Joseph R. Knowland, chairman of the Park Commission, and Robert B. Bradford, chairman of the Highway Commission, issued a joint statement:

"The purpose of this joint meeting is for a general discussion and exchange of ideas between the two bodies concerning the problems involved in the proposal to build a low level road at Lake Tahoe, involving the construction of a bridge across the entrance of Emerald Bay, and to further consider the possibility of an alternate route that would avoid the bridge construction."

"It is anticipated that a general public hearing will be held at a later date, after further information has been developed."

### County Approves Work On Truckee

AUBURN — Flood control work on the Truckee River near Lake Tahoe by the corps of engineers was approved last week by the board of supervisors on a 4 to 1 vote.

Bids for the \$112,000 job are expected to be advertised this spring. The work is part of a \$791,000 flood control project scheduled by engineers and the state department of water resources.

Paul M. Guyer of Sacramento, a representative of the engineers, said the major work in Placer County will be the enlarging, widening and deepening of the river channel from the main bridge at Tahoe City, Lake Tahoe, downstream for 3,200 feet.

He said other minor work will be done on the river in California, plus other large projects in Nevada.

Placer County supervisors agreed to operate and maintain the flood control works in the county after the job is completed, and agreed to hold both the state and federal governments blameless from liabilities due to the works.

Supervisor Frank Paoli, the only objector, declared he is in favor of the flood control, but is opposed to the hold blameless clause and the county operation and maintenance section.

Guyer explained the 3,200 feet of will have a 50-foot width and that the bottom will be lowered about four feet.

He said a channel this size will be able to handle the maximum flow of 3,300 second feet of water which can be released from Lake Tahoe into the river.

Guyer called the proposed project part of an overall program to protect lands adjoining the Truckee River from flood damage.

### PUBLIC INVITED TO RAINBOW BREAKFAST

The advisory board of the Hope Assembly, Rainbow for Girls is serving an Easter breakfast from 8 a.m. to 10 a.m. on Sunday, March 29th.

This breakfast is open to the public as well as all Masonic and Eastern Star members.

### Cleanup Starts As Old Buildings Are Razed By Firemen

Two of a number of Truckee antique and unusable structures were eliminated this week when the fire department, under the direction of Chief N. F. Dolley, set the torch to them. One was the old structure owned by Mr. and Mrs. N. Firpo in "Brinkleton" which had previously been torn down and prepared for burning.

The second was an old structure south of the Truckee river, owned by Jack Wolert, who asked that the building be burned to eliminate an eyesore.

Chief Dolley said that other old sheds and unusable buildings in the area will be burned, with owners' permission, to rid the community of unsightly and unwanted buildings and thus aid in the contemplated cleanup, paint up campaign.

Anyone wishing to eliminate such a structure is asked to contact Dolley and give the necessary permission to destroy the nuisance. "We can take action only with the permission of the owner of such buildings," Dolley declared. "It is our purpose to cooperate and we solicit permission of the owners."

Dolley said that rather than limit his activities to the cleanup, paintup campaign, he would devote most of his efforts to elimination of unsightly and unrepairable structures in the community.

"Cleaning and painting," he declared, "is vital, but many old dilapidated structures are beyond repair, and in order to make the program a success, their removal is necessary."

### Rubin Selected To Replace Thoreau

Jack Rubin, counsel and assistant executive secretary for the California Olympic Commission for the past year and a half, was named by the commission Friday to succeed H. D. Thoreau as executive secretary following the latter's resignation.

Thoreau, who held the post for nearly three years, resigned to devote full time to his work as assistant executive director of the VIII Olympic Winter Games Organizing Committee. For the past year Thoreau has worked in the latter position on a part time basis.

Rubin, who was formerly with the state franchise board at Sacramento, has been counsel for the commission for the past 18 months and has worked as an assistant under Thoreau. The latter advised the commission that he would continue to assist in every way possible but had found his work with the committee was exacting and was taking most of his time.

The commission meeting was held in the conference room of Director of Finance Bert Levitt in Sacramento Friday. Due to the absence of Charles Blyth, chairman, A. Andrew Hawk, vice-chairman, presided.

Other routine business, including a resume of the North American Championships at Squaw Valley in February, used as a trout for the 1960 Olympics, featured the session. In attendance beside Hawk were Commissioners Harold Bernier of San Francisco, Sterling Cramer of Yosemite and Walter Barrett of Truckee.

### THREE BABIES BORN AT LOCAL HOSPITAL

Timothy Odis is the newest addition to the family of Mr. and Mrs. Rex Anderson of Kings Beach.

The boy was welcomed by his parents at Tahoe Forest Hospital on March 12 and first weighed 6 pounds 7 ounces.

A daughter arrived for Mr. and Mrs. Kenneth Dunn of Tahoe City, March 15 at the local hospital.

The little girl's given names are Shelly Roma and she was said to have tipped the scales upon arrival at three quarters of an ounce over six pounds.

Kimberly, daughter of Mr. and Mrs. Howard Howell made her debut on St. Patrick's Day, arriving at Tahoe Forest Hospital. Her birth weight was a petite five pounds, 7 ounces.

Mrs. Muriel Westfall of Truckee is the baby's maternal grandmother.

### Local People Return—

Mr. and Mrs. Joe King and Richard Joseph and his sister, Mrs. Roxie Archie, returned from a combined business and pleasure trip in Mexico, Nevada and southern California.

## 250 Attend Meet To Hear Details Of Paintup Plans

### Company Officials Show Plans For Improving Community

The Truckee Donner paintup, cleanup campaign, sponsored by the chamber of commerce with the cooperation of the Truckee Fireettes got off to a flying start at a meeting held at the Tahoe Truckee high school last night. Approximately 250 attended.

Details of the project were explained by officials of the Pabco Paint Division of Fibreboard Corporation who had been invited by the chamber to submit a color plan for styling the main business section of town and assist in developing an overall plan to cleanup, paintup and fix-up the area to meet the world at the 1960 Olympic Winter Games.

The meeting was presided over by N. F. Dolley, chamber president who introduced Lou Reel, area sales representative for Fibreboard Pabco division and a frequent visitor in this community.

Reel presented the background for development of the plan and introduced Clay Lilleston, division general manager of the company, who discussed the benefits to Truckee and the surrounding area in launching and carrying out the campaign.

Cooperation Essential

Reel said that the key elements of success are the proper planning and the undivided cooperation of the community.

Ned Fisher, color and design expert, presented color slides and charts and discussed the significant details.

Representatives of the W. P. Fuller Company showed films and pictures of how the paintup program has operated in other communities and offered full cooperation.

While property owners were encouraged to start their cleanup and paintup projects immediately, it was pointed out that committees from the chamber and Fireettes will be chosen in the near future to offer assistance in the program.

Dealers are prepared to offer special inducements through price reduction in paint and provide other assistance in making the program a resounding success.

The committees proposed include a paintup committee, a publicity and advertising committee and a finance committee. All members of the groups will be chosen from the sponsoring organizations which are expected to include all service clubs and others interested organizations in the area.

The Fibreboard-Pabco people will supply an advisory counsel to work throughout the length of the program. All other paint companies have been invited to participate.

Following the meeting last night, the Fireettes served coffee and cake.

### Plan On Display

Zeph Rose, who was appointed general chairman of the paintup committee by President Dolley, announced that the large color plan prepared by Pabco artists and designers, is now on display at the Bank of America where it will remain throughout the life of the project.

### NEXT MEETING FOR BOOK CLUB APRIL 8

Members of the Great Books Discussion Group voted to skip the March 25 meeting in favor of several members who would be unable to attend during the spring vacation. April 8 the group will meet in the home of Bob and Naomi McLane of Tahoe City for a discussion of Plato's Republic, Books VI-VII.

### LOCAL OFFICERS ARE FETED IN LODGE MEET

Leonore Vind, district deputy president of District 21, Rebekah Assembly of California, made an official visit to Esther Rebekah Lodge No. 9 at Grass Valley March 14. She was escorted by Deputy Marshal Laura Horman.

A large group was in attendance and presentations were made to the above officers. Traveling with them were Julia Davis, Goodie Mori, Elsie Single and Dorothy Slack.

### FIREMEN UP EARLY FOR BLAZE IN TIES

An alarm at 5:30 a.m. Tuesday morning routed members of the Truckee Volunteer Fire Department who extinguished a blaze in a pile of railroad ties just east of town. Someone had been burning dry grass and weeds and the embers went into the ties, starting a noticeable fire which was reported by a passing motorist and the alarm sounded.

### MEETING TONIGHT

The Donner Lake Firemen's Auxiliary will hold their meeting to-night in Donner Lake Lodge instead of at the Alpine Riverside as previously announced, according to Mrs. Paul Capel.

Mrs. Cecil Edmunds and Mrs. Joe Mattos enjoyed their birthday anniversaries on March 17.

#### AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO — (CNS) — One  
of the constructive actions being  
attempted by Governor Edmund G.  
Brown is his sponsorship of legis-  
lation to abolish the fair and expo-  
sition fund, which is fed by the  
state's share of horse racing reve-  
nues at the level of about \$29 mil-  
lion annually.

Legislation to abolish the fund  
and put the revenue in the state's  
general fund, where it properly  
belongs, has been introduced in the  
legislature by Assemblyman  
Thomas Reese, (D-Beverly Hills),  
and is marked "at the request of  
the governor."

The fair and exposition fund,  
according to Governor Brown as  
stated in his budget message to  
the legislature, is "perhaps the  
outstanding example of the defects  
and dangers of the special fund  
method of financing."

California for many years, has  
been cursed with the special fund  
method of financing, to the point  
where there are more than 200  
different funds being kept by the  
state treasurer.

It is fairly obvious that not all  
of these can be abolished at once,  
but if the administration plans to  
cut down the specials, the fair  
and exposition fund is no doubt a  
good place to start.

For this is the fund from which  
monies come to be appropriated  
to district and county fairs and  
expositions, regardless of whether

they need the money or not. Each  
year, the district and county fairs  
get a gift of \$65,000 from the fair  
exposition fund, and this procedure  
has resulted in the storing up of  
more than seven million dollars in  
surplus in the coffers of the 74  
fairs and expositions receiving the  
gifts, a sum which the state prob-  
ably never will get returned to the  
general fund.

Governor Brown does not intend  
to stop the free ride the county  
and district fairs are getting from  
the pockets of the taxpayers this  
year, as he has made provisions in  
the budget for the usual allocations  
from the state general fund. But,  
in forthcoming years, the plan is  
to allocate on the basis of need, if  
any.

All of which will probably bring  
up the question before the legisla-  
ture which has been asked in this  
column for a long time—why  
should the state subsidize the dis-  
trict, county and state fairs at all?

Many arguments, particularly  
by the people who operate the  
fairs, can be given in favor of state  
support, but so far, there have been  
few compelling arguments. The  
reasons grow still more unsound  
in the fact of increasing state defi-  
cits, and the consistent demand of  
the administration for new and  
increased taxes to meet the deficit.

If a private business is unable  
to pay its own expenses out of  
revenues, the normal procedure is  
for it to close up or go bankrupt.  
Thus, if a private carnival fails  
to make the grade on its own reve-  
nues, after paying all of the license  
fees and taxes it is assessed, it  
could not go to the state of Cali-  
fornia for a subsidy to keep it

#### TRUCKEE BOY HAS PART IN EXERCISES

SAN DIEGO (FHTNC) — William  
B. Scanlon, aviation electronics  
technician third class, USN, son of  
Mr and Mrs. W. T. Scanlon of  
Truckee, attached to patrol squad-  
ron 9, took part in an anti-sub-  
marine warfare exercise from  
February 16-19, off the coast of  
Southern California.

"Skynet", formed of vessels of  
the U. S. First Fleet and several  
units of the Naval Reserve, was  
divided into two teams: the "Blue"  
defenses and the "purple" aggres-  
sors.

The exercise was conducted un-

seems to be different. When poor  
administration and falling atten-  
dance cut the revenue, the tax-  
payers permit their representa-  
tives to donate funds to keep the  
state shows going. And if Governor  
Brown can correct this situation,  
he will have much to justify his  
administration.

der the operational control of Vice  
Admiral R. E. Libby, the Comman-  
der of the First Fleet.

DUANE FREEMAN  
Commercial Row Truckee

The local boys who have been out on the Lake fishing have had phenomenal luck. We enjoyed some nice trout that Ned Malla caught. The snow has practically gone and baseball is in full swing down on the golf course.

**FIREMEN'S BALL**  
The firemen of Tahoe City have put it over again, holding a brilliant ball at the Tahoe Inn which was packed, although it was held on Saturday the 14th, it was the St. Patrick's Ball. The Inn was beautifully decorated for the occasion and a gayer party has not been seen for a long time. Congratulations to Fire Chief Al Henry and his efficient staff, Pete Vanni taking care of the cash in his usual thorough manner.

**RECOVERING**  
Was very sorry to hear of our old friend Warren Porter having been ill but he is getting along nicely now. We all wish him good health from now on.

Mrs. Thelma Liddle who was very ill is up and around and making good progress toward good health, we are happy to report.

Jack Brown who has been in the hospital for the second time with a fractured vertebra, left last week

end for Oakland to spend two weeks, then return for a check up and leave again for another two weeks. We hope these treatments will be beneficial to him.

**PRETTY ROCK**  
Saw Bob Moore and Gene Antonson with a load of the prettiest rock. They are going to build a beautiful porch on Wylie Jones home on the Brockway hill.

**UP FOR WEEK END**  
Steve Riola was up for a few days last week—we are anxious to see what changes there will be around his famous restaurant now that it has been rezoned.

**ON TRIPS**  
Louisa Antillon who is down in La Jolla with Mrs. Comstock says it is quite cool, but really beautiful.

Pearl and Harvey Martin spent ten days in Arizona recently—they enjoyed the trip immensely.

Harold and Lillian Farr of Tahoe City are going to Florida for about ten days vacation. Lillian is the daughter of Judge and Mrs. C. W. Vernon of Tahoe City.

**MEETING**  
The Business Men's Association of North Tahoe held an emergency meeting on March 9th at the Ne-

## My Neighbors

"But dear, I tried to tell you the Polar Bear Club was different from the Lions, Moose and Elks."

## TRUCKEE PUBLIC BOARD MEETINGS

Truckee Public Utility District Meets second and last Thursday of each month at 9:30 a.m. in the district's office.

Truckee Sanitary District Meets first Tuesday at 7:30 p.m. at Justice Court offices.

Tahoe-Truckee Unified School District Meets second Tuesday each month at 8 p.m. at the high school.

Tahoe Forest Hospital District Meets second Friday each month at 7 p.m. at the hospital.

Truckee Fire District Meets first Tuesday each month at 10 a.m.

Truckee Cemetery District Meets at call of Chairman W. M. Englehart, Sr.

San Francisco ranks first on the West Coast in waterborne commerce.

ism of which he took such an active part. Our heartfelt sympathy to the bereaved family.

**Returned Home—**  
Asa Abbott came home from the Democratic convention at Fresno filled with enthusiasm for the trip and the meeting.

vada Club. Most of the motel owners were in attendance. It was on false weather and snow reports that have been given out for this region. According to Tom L. James, president, action is being taken on this matter and there will be lots of improvements later.

**IMPROVEMENTS**  
Loads of lumber are arriving every day at neighboring motels. Many of them are adding new units and really fixing up this spring. Real estate is selling fast even though listings are scarce. Businesses are opening and makes us feel that the summer season is upon us.

**CUTE DOGS**  
Dogs seem to be quite important around here these days. Bill Martin has a new German short haired pointer and says he is learning fast. It is of the same breed as the beauty Dr. and Mrs. Hillard Holmes have. Alice and Andy Sorensen have the cutest little toy German Schnauzer, named 'Dutch'. They brought him home at New Years from New Jersey, where they visited with Loma and John.

**BUILDING**  
Many people have been up and are contemplating building. We hear that Mrs. Mary Meyers of Palo Alto is one of the new builders of a lovely home at Incline Beach. There are so many beautiful homes up there. Those of you who haven't been up that way for a long time will certainly see a big change.

**WITH REGRETS**  
It is with regrets that we hear of John A. Rabaska, who was in this district as sergeant of the Placer County Sheriff's Department, has left this area and we hear that he may be going to the south end of lake, and we hope he will be a frequent visitor around these parts.

We can only say that we will miss his cooperation around the court at Tahoe City and his efficiency in his old capacity, and wish 'Bud' and his family every success.

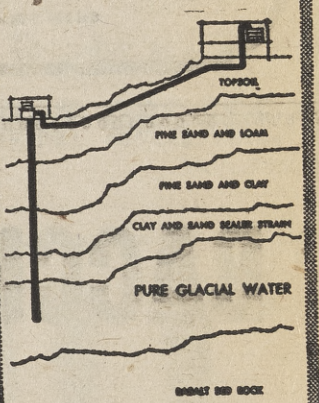

**UP RECENTLY**  
I understand that our old friend Tom Geuren, of the Bal Tabarin was in the area recently and we may see some vast changes in the building. He is expected up early this spring to open up his spacious restaurant and casino.

**LIONS ACTIVITIES**  
The North Tahoe Lions Club visited with the Reno Lions on March 19th at the El Cortez Hotel in Reno. It was their annual speakers contest. On March 24th the Truckee Lions are contemplating a visit to the Nevada Club for the North Tahoe meeting.

**A VACANT CHAIR**  
It is with the deepest regrets that we have to report the passing and burial of one of our most valued members as Secretary of our Lions Club. Wynn Morrell passed away in Auburn on Friday 13th. Services were held in Auburn at the Chapel of the Hills on Sunday the 15th at 3 p.m. Many local Lions and friends attended. Cremation followed in Marysville.

Wynn was born in San Jose on Dec. 3rd 1908. He will be a great loss not only to his family, Connie Morrell, his wife, his daughter Linda, who attends Truckee High School, and Mrs. Carol Baylor, also a daughter, of San Francisco, but also to the whole district of Lion-

## The buried treasure of Tumwater

Before the turn of the century, buried treasure was discovered at the little town of Tumwater in Washington State. The treasure was water! A most unusual water. A water so fresh and pure that it was naturally perfect for brewing just as it flowed from the earth. It was here that the Olympia Brewing Company was founded. And today, over sixty years later, the water continues to flow in unlimited quantity from deep artesian wells with the precise character for perfect brewing. Rarely, in all the world, has such a water been discovered. It is this extraordinary brewing water that blends in and brings out the more delicate flavors of choice hops and grains... creating a refreshingly different beer of unchanging excellence and rare good taste.

the one priceless ingredient

## TAHOE TRUCKEE SCHOOL NEWS

**TRUCKEE ELEMENTARY**  
KINDERGARTEN: We were sorry to lose two of our little girls this week. Karen Barrett has moved to Richmond and Susan Anfield

has gone to Boulder, Colorado. Joan Apple visited the zoo in Sacramento last week-end, and gave the class an interesting report on what she saw there.  
FIRST GRADE: We are making a farm mural. Children who received a perfect score on the spelling test for this week were: Susan Kenyon, Bernie Ahrens, Byron Johnston, Ben King, Kent Mullis, Larry Doyle, Drucilla Turner,

Nancy Raynor, Dottie Kirk, Kathleen Collier, Kathy Goicoa, Debby Jo Wurst, and Deborah Abrell. Children who missed one word: John Poppe, Maryanne Meichlin, Mark Manley, Connie Bodine, Dennis Weiler, and Margaret McLane.  
SECOND GRADE: The spelling test for last week did not appear because a flu bug got out of hand in the second grade.

These people got their words correct: David Goldsmith, Steven Kenyon, Mary Lou Randall, Bruce Leamon, Curt Mullis, Joe Merica, Curt Wurst, George Franceschini, Curtis Melguin, Elizabeth Richards, Terry Higgins, Claudia Rhoades, Sandra Eckerman, and Steven Maynard.

Yvonne Johnson moved with her family to Nevada City. This is a sad loss to the second grade room. Yvonne Johnson was one of the fine leaders in the room. All second graders wish Yvonne good luck in their new home.

Best spellers this week are: Terry Higgins, Elaine Barnes, Jeffery Jellin, Joe Merica, Sandra Eckerman, Kathy Decker, Tammy Richards, Elizabeth Richards, Sandra Ferdinand, Curtis Melguin, George Franceschini, Curt Mullis, and Bruce Leamon.

Kathy Stowe brought "Conservation Pledges and Smokey, the bear songs". So the class could be more aware of the reasons for having Conservation Week.

Charles Anfield moved to Boulder, Colorado. All second graders wish Charles good luck in his new home.

THIRD GRADE: Our third grade has been busy with the writing of stories. Judy Ingalls has completed a very interesting story of an Indian Whale Hunt. Thomas Holleman has chosen the title Buffalo Hunters. The entire class is in the process of completing some fascinating tales of Indians.

THIRD AND FOURTH GRADES: Third and fourth graders who had perfect papers in their "Three Week Review Spelling" test of 45 words were: Rhonda Manley, Kathy Braasch, Lenny Vind, Jack Melguin, Karel Sauby, Linda Russell, Pam Horman, and Elgin Johnston. Sue Olano and Jill Wurst missed only one word.

We appreciate the film shown to us by Mr. Saarni in observation of Conservation Week.

FOURTH GRADE: Fourth graders having perfect papers in spelling were: Dennis Richards, Heidi Euer, Gail Englehart, Billy Sassarini, Garee Lynn Stewart, Beverly Holleman, Karen Hedlund, Marianne Moore, Craig Mullis, Billy Hobbs, Billy Waters, Terry Richards, and Chris Foster. "Outstandings in Arithmetic" were earned by Mike Grayson, Donna Smith, Tim McLane, John Goldsmith, Garee Lynn Stewart and Beverly Holleman.

For Conservation Week the girls preparing the most attractive bulletin board were Marianne Moore, Linda Dallas, Heidi Euer, Chris Foster, Karen Hedlund, Garee Lynn Stewart, Beverly Holleman, and Terri Richards.

Though the boys' bulletin board was a slight shambles, Billy Hobbs, Gary Waters, Bruce King, Ronnie Walker, and Bill Waters worked hard Friday morning to straighten the arrangement out. Billy Hobbs brought in the best collection of bird pictures. Various dolls were made by Donna Smith, Sharon Petersen, Eileen Olson, and Linda Dallas.

Finally, our "song-birds" of sweet melodies, Sharon Peterson and Darlynn Ingalls performed a duet that made the rafters ring.

Finally, we wish to thank Mr. Roy Saarni for his fine discussion and pictures on reforestation.

FIFTH GRADE: The entire fifth grade was very unhappy to see the very popular Miss Goldie Anfield announce that she was returning to Colorado.

The fifth grade basketball players wound up their last week of basketball competition with the sixth grade. They managed to break even in six games. All in all the season was a huge success with several promising future stars in the form of John Besio, Mark Moore, Larry Digesti, and Monty Straub being developed.

SECOND GRADE: The second grade studied the grasshopper, during conservation week. A story

POLITICAL ADVERTISEMENT

written by a Kansas farmer was read, and then recordings were made on structure and destructive characteristics. Outstanding drawings were made of the insect by Dick Jemin, Brent Bradley, Tony McLane and Greg Pyle.

THIRD GRADE: Our third grade pupils are working on arithmetic reasoning problems. Those receiving A and B grades in their tests were: Janet Jorgensen, Leah Howard, Barbara Nielson, Bro Shontz, Bill Rabska, Tommy Hoff, Eric Hendrikson, Mike Dempsey, Steven Shaw, and Dianne McBride.

FOURTH GRADE: The following children received A's in the weekly 150 word spelling dictation: Dick Pomin, Darlinda Stark, Georgianne Luffy, Jimmy Bechdolt, Marty Spitsen, Chris Beavers, Tad Hall, John Carnell, Kathleen Norton, and Paul Sullivan.

Chris Beavers, John Carnell, Jon Caulkett, Tad Hall, Dick Pomin, Marty Spitsen, Paul Sullivan, John Mathewson, Christine Litke, and Georgianne Luffy received A's in the weekly Social Studies test.

Lynn Harper and Danny Sprague have been out sick during the week. We miss them and wish them a speedy recovery.

FIFTH GRADE: The Tahoe Lake School Choir will sing at the Parent-Teachers meeting on Thursday, March 19.

Best spellers this week were: Steven Rogers, Cheryl Flory, Karen McBride, Cathy Connors, Julianne Bechdolt, Kristen Meixner, Greg Summers, Judy Ingram, Jeff McLane, Benny Keechler, and Jerry Jorgensen.

**KINGS BEACH**  
SECOND GRADE: Dennis North brought a lovely bouquet of daffodils. This shows us spring is just around the corner.

Cindy Lee Malmgren has brought her large seashell collection to our class room to share with us. It certainly is a lovely collection.

Candy Ehlers spent Monday afternoon skiing.

SIXTH GRADE: Nancy Bervid, Windy Boatman, Susan Graton decorated one of our bulletin boards about Tab Books. Marie Wainscoat, Penny Clarke and Holley Shaw decorated another bulletin board about Tab. The Easter bulletin board was decorated by Carol Bruce, Susan Knapp and Linda Sprague.

Current Events were brought by Nancy Bervid and Windy Boatman this week.

We are sorry that Susan Graton is leaving us. She is moving to Smith Valley.

Sharon NyBlom, our Tab and Arrow Book Club Secretary was having too much confusion with both clubs, so she turned over the Arrowhead Club to Estelle Howell.

Mrs. Harvey Price was our substitute teacher while Mr. Anderson was in Truckee with his wife and new son Timothy Anderson, who was born at 5:02 A. M., March 12.

SEVENTH GRADE: In our class, we have been making Social Studies reports on Europe. Our committees are on France, Germany, Russia, the British Isles, small countries of western Europe, and the Satellite Countries of eastern Europe. We plan to have one committee report each day this week.

We decided, at our class meeting, to have a class party on St. Patrick's Day. George Day, our vice-president and chairman of parties chose Fred Burmer as head of the decoration committee, Greg Thompson for entertainment, Bill Bate for refreshments, and Ricky Krips for cleanup chairman.

## TNT TIDINGS

By Nancy Watts

A new Chess club has been formed at school. Mr. Joor Bol is the sponsor, and the new president is Tim Ridsen. The club plans to meet Monday at noon, and possibly once a week at the home of some member. A tournament is in progress, which may turn into chaos, but the students are enjoying themselves very much.

The senior play for this year, the hilarious "You Can't Take It With You", has been cast and participating students are hard at work. With the able direction of the high school drama teacher, Mr. Minor Rootes, the play is sure to be a success, and the seniors hope to make a bit of money from their production.

All seniors who plan to attend the University of California next year should note that the information concerning the Subject A exam is posted on the bulletin board in the hall at school. This test must be taken before it is possible to enter the University and is being offered May 9th in several locations.

The C. O. P. band entertained at Tahoe-Truckee Thursday. The excellent performance was enjoyed by everyone; the College of Pacific certainly has something of which to be very proud.

G. A. A. Volleyball will start soon, and, next to baseball will be the last girls sports of the year. Let's hope all the girls will participate and make it lots of fun.

## LAKE LEVEL

TAHOE CITY — Like the rest of the area, no precipitation has been recorded at Tahoe City during the month of March and Monday there were only 10 inches of snow on the ground. The temperature ranged from 21 to 55 degrees. The lake level Monday was 6227.66 feet, subject to revision, and one gate into the Truckee river was open.

Of all the symbols of the Church, and there are many, the cross is by far the best known. Through the ages different meanings and in-

## NEWS NOTES FROM TAHOE

NAOMI McLANE  
Box 711, Tahoe City — JU 3-3187

There are undoubtedly scientific reasons and words of fine calibre to describe these indescribable days of beauty. This will appear, surely, during or just after the greatest equinoctial storm of all Sierra history. That's one of the lovely things about up here. You just can't know. But it isn't necessary to know them to know that right "now, if ever, come the perfect days." They are indeed right now. The Lake is almost summer blue and there is a hint of the lazy warm days to come that even the cold east wind cannot dispel.

The firemen's ball was a great success, everyone agrees. The Tahoe Inn, as always was appropriately decorated in St. Patrick's green. I must check about the red and white which also decorates the dining room each year. Is that for the fire department or in deference to all the Scotchmen and other dear non-irish ilk around here?

The Tahoe Squaws held their monthly business meeting at the Community Hall, March 11th. At that time the Fun and Fund raising group presented the Tahoe Forest Hospital with a check for a sound-proof room. The Squaws are interested in the California Hospital Auxiliary and will have a guest speaker from this statewide formal organization at their next April meeting. The next social meeting of the Squaws will be an ice skating party at Squaw Valley time and date to be announced.

Several of the Squaws and their families are making an Easter exodus for the coming holidays. The Harold Farris are flying to Florida to visit Hal's father. The James Brehler's with Stevie and Bill go to Twenty-nine Palms; The Malcolm Foxes with Tabor to Arizona and Guy Wilsons to Los Angeles. Mrs. N. K. Marvin and Mrs. Endico Giannini with their respective children will be house guests of Mrs. Denis A. Sach at Barego.

Mrs. Phil Geier who is heading the Red Cross drive here for her eleventh year would like to stress that March is the fund raising month although checks are welcome any time of year. If, through oversight, you have not received either a personal letter or word through any of you organizations, Mrs. Geier would be most happy to hear from you at Box 552, Tahoe City. Along with its usual helpfulness the Red Cross pays for most of the summer swim programs here which means so much to both children and parents.

Phil Howard, sponsor of the Tahoe City Egyptians, announces that there will be no meeting of this teen-age group until April 5 at 7 p.m. in the Community Hall. All teen-agers, 14 to 19, of the Tahoe

interpretations have been attached to this symbol. Each generation has developed its own doctrine and dogma as it considered the cross. Many of these ancient interpretations are useless to the modern mind and present day considerations have become confused and chaotic. Pastor Taylor will discuss this subject in Sunday's sermon entitled: "What Can We Believe about the Cross?"

area are most welcome. A roller skating party at Reno is one of the coming events of this active group.

Mr. Ralph Rauscher's weekly German class had a most interesting evening last Tuesday night at the home of Mrs. Malcolm Fox in Squaw Valley. Willie Schaeffler came as a guest and in a most warm and clear manner answered, in German, all of the halting questions the members had prepared to ask him about the Olympischen spiele. He was so helpful that all were emboldened to ask questions on the spot and, surprisingly enough, the Kitty which gets fed by any default into English did not get overfat.

The second of Mrs. Foy's dance classes was held Monday night at the Community Hall. If you see any young, or middle aged or even ancient matrons of our area looking similarly limpy this is why. Seriously, this class is great fun and should add much to the correct distribution of avoir du pois.

The Women's Club of Tahoe has received the Award of Merit presented each year by the Vogue pattern service to various districts of the general Federation of Women. Mrs. Paul Webb of Loomis who is a Tahoe City summer resident is the member which brought this honor home to this group for her excellent work in the fashion sewing show.

There are many birthdays this month which I have surely missed but two in one family should be mentioned. George and Ora Day celebrated a week apart. Ora's is March 6th and George's is the 11th. Erica McLane became a teen on March 14. Sam Goss has a birthday also on March 11.

And thinking of Sam, reminds me of Della Goss who so cheerfully greets visitors to her bedside. As most of you know she never complains and has a warm word of gratitude for all who come to see her either as individuals or as members of the various groups to which she belongs.

The nursery school mothers are giving a dress-up party for the

youngsters at the school Thursday morning. Also, on Friday morning from 8:30 till 11:30 at the regular meeting of the mothers Mr. Tom Sheehan is arranging to have a uniformed officer there so that the children may get acquainted with

a policeman and learn that he is their helper and friend rather than an object of fear.

President George Washington personally chose the site of the White house.

### SCHOOL BOND ELECTION NOTICE

NOTICE IS HEREBY GIVEN to the qualified electors of Tahoe Truckee Unified School District of the County of Placer and Nevada, State of California, that in accordance with law, an election will be held on TUESDAY, the 19th day of May, 1959, in said District, between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said District to the amount of \$390,000.00 Dollars, for the purpose of raising money for the following purposes:

- The purchasing of school lots.
- The building or purchasing of school buildings.
- The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.
- The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.
- The supplying of school buildings and grounds with furniture, equipment or necessary apparatus of a permanent nature.
- The permanent improvement of the school grounds.
- The carrying out of projects or purposes authorized in Section 18010.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition. Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter. The number of years the whole or any part of the bonds are to run shall not exceed 25 years from the date of the bonds or the date of any series thereof.

For the purpose of holding said election, the School District shall be and it is hereby divided into five (5) Bond Election Precincts, numbered from 1 to 5 consecutively, as hereinafter described; and the persons hereinafter named being competent and qualified electors of said School District, and of their respective Bond Election Precincts are hereby appointed officers of election, as hereinafter designated, to serve in their respective Bond Election Precincts, as hereinafter set forth; and said

Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precincts, polling places and election officers, duly designated and appointed are as follows:

**BOND ELECTION PRECINCT No. 1** shall include all the area embraced in the Placer County General Election Precincts of Cisco and Summit and those portions of the Nevada County General Election Precinct of Soda Springs lying within the Tahoe-Truckee Unified School District.

**POLLING PLACE** therein shall be at Donner Trail Schoolhouse. Officers of Election for said Bond Election Precinct: Mrs. Lola Schull, Inspector; Mrs. Dorothy Bacon, Judge; and Mrs. Beverly Cardwell, Judge.

**BOND ELECTION PRECINCT No. 2** shall include all the area embraced in the Placer County General Election Precinct of Brockway.

**POLLING PLACE** therein shall be at Kings Beach Schoolhouse. Officers of Election for said Bond Election Precinct: Mrs. Eda Judy, Inspector; Mrs. Winona Hall, Judge; Mrs. Marguerite Mandeville, Judge.

**BOND ELECTION PRECINCT No. 3** shall include all the area embraced in that portion of Nevada County General Election Precinct of Floriston lying within the Tahoe-Truckee Unified School District.

**POLLING PLACE** therein shall be at U. S. Post Office, Floriston. Officers of Election for said Bond Election Precinct: Mrs. Janice Hamilton, Inspector; Mrs. Ruth Helman, Judge; Mrs. Clara Ingram, Judge.

**BOND ELECTION PRECINCT No. 4** shall include all the area embraced in the Placer County General Election Precinct of Tahoe.

**POLLING PLACE** therein shall be at Tahoe Lake Schoolhouse. Officers of Election for said Bond Election Precinct: Mrs. Bernadette Bechdolt, Inspector; Mrs. Beccy Shontz, Judge; and Mrs. Betty Starratt, Judge.

**BOND ELECTION PRECINCT No. 5** shall include all the area embraced in those portions of Nevada County General Election Precincts of Donner Lake and Truckee lying within the Tahoe-Truckee Unified School District.

**POLLING PLACE** therein shall be at Truckee Elementary Schoolhouse. Officers of Election for said Bond Election Precinct: Mrs. Lucile

### DONNER SUMMIT NEWS

BY DONNA POWERS

#### WHITE BUG

To your reporter the past week-end has been "something to remember." Saturday I drove to San Francisco in my 10 year old automobile and traded it for a white sports car. Yes, I too have the bug. I shed a wistful tear as I left my vintage old faithful for this high powered job. My trip also allowed time for a visit with my aunt, Mrs. Molly Summers of San Francisco and a friend, of the USS Midway and aircraft carrier recently returned to Alameda Naval Air Station from the Orient. On my return trip I stopped in Lincoln to visit with my parents Mr. and Mrs. E. B. Power and brothers Burt and John.

#### EASTER BREAKFAST

Through the courtesy of Elmo Moriano the students of the Donner Trail School with their preschool brothers and sisters and those of their neighbors have been invited to the Beacon Hill Lodge for breakfast on Sunday March 22. Following breakfast the children will thrill with an excitement of a traditional Easter egg hunt.

#### TUBERCULIN TEST

In the near future children attending the Donner Trail School will receive the benefit from a tuberculin skin test with the consent of their parents. This program is sponsored by the health department, tuberculosis association and the county schools office, all of Placer County.

#### CONSERVATION WEEK

In observation of the National Conservation Week under the sponsorship of the United States Department of Forestry the students of the Donner Trail School District along with those in other parts of the Tahoe-Truckee School Dis-

Bick, Inspector; Mrs. Esther Fox, Judge; Mrs. Gertrude Rablin, Judge.

Each qualified elector of said Tahoe-Truckee Unified School District shall be entitled to vote only in the School District Bond Election Precinct of which he is a resident.

The governing board of the School District shall meet on the seventh day after the election at its usual meeting place at 8:00 o'clock P. M. and publicly canvass the returns.

IN WITNESS WHEREOF, we have hereunto set our hands this 12th day of February, 1959.

Jack Felte, Herbert P. Obexer, R. E. Smart, Hilda D. Hintz, B. K. Miller, members of the Governing Board of Tahoe-Truckee Unified School District, of Placer and Nevada County, California.

trict were shown several motion pictures. The program included the jobs done by the ranger and the benefits to our generation and those of the future. Discussions and answer periods were conducted by Ranger Mason of the Big Bend Ranger Station. Later in the year the children will be invited to visit the station.

#### SUMMIT SIT

Mrs. Mary Williamson was a very gracious hostess to the ladies of the Summit Sit at her home Wednesday. The ladies of the community who enjoyed the conversation with the group were Mrs. Barbara Zorich, Mrs. Betty Aro, Mrs. Ilsa Bisson, Mrs. Betty Cardwell, Mrs. Olga Lyddane, Mrs. Joyce West, Mrs. Adell de Ryk, Mrs. Valeta Mason, Mrs. Zona Madden, Mrs. Francis Drago, Mrs. Kate Zoll, and Donna Power. Mrs. Valeta Mason has asked the group

to her home for the next meeting.

#### ELECTION

April 7th is the date for the voters in the area to go to the polls. Many residents are currently acquainting themselves with the decisions they will be required to make.

#### SKI MEET

Mrs. Mary Williamson took several children from the Soda Springs area to the Sacramento Bee Silver Ski Race at Edelweiss ski area on Saturday March 14. Competing were Barbara Lyddane, Tom Terkildsen, Bill Strickland, Sherman Williamson, Debby Zorich, Patty Kelly, and Mrs. Sue Reams also attended the meet as observers.

California produces about 50 per cent of the national total of Lima beans for consumption as a fresh vegetable or for processing.

## \$75,000 SUIT FILED AS ACCIDENT RESULT

A total of \$75,000 plus medical expenses is being asked in a suit filed in the Nevada County Superior Court by Leslie and Lois Eales who charge negligence on the part of Gordon Harper Corporation involving a rear end collision on U. S. 40 two miles east of Truckee on January 28, 1959. Gordon Harper was the driver of the other car and was on a business trip at the time of the accident.

Leslie claims to be disabled to the extent that for an indefinite period of time he cannot carry on his normal occupation. For this condition he asks \$50,000 and his wife Lois asks an award of \$25,000 for her mental and physical suffering incurred as a result of the wreck. Both husband and wife plaintiffs also request the defendant be required to pay medical costs for injuries received but which have not yet been determined.

## Washington Was A Man Of Prayer

By George N. Kramer, Ph.D., staff writer for the TIDINGS

LAST YEAR a million visitors to Valley Forge stood in the Washington Memorial Chapel and reverently gazed at a stained-glass circular window.

There seemed to be nothing unusual about the figure of George Washington kneeling in prayer at Valley Forge camp during the crucial winter of 1777-1778.

Yet those looking up at the window remembered reading somewhere that he was "first in war, first in peace, and first in the hearts of his countrymen," that his distinction was due to his courage on the battlefield.

But Washington's greatness did not reside in his military genius, his executive ability or his political acumen. It was his inner spiritual strength that made him the great man we all honor.

HIS PERSONAL BRAVERY was matched by his moral fortitude; his effective management was rooted in self-discipline; and the success of his public life was the fruit of Christian virtues.

The Father of our country was never afraid to express his religious convictions. He was never ashamed of them. Yet there was nothing stilted or sentimental in their expression. Above all, they rang with utmost sincerity.

NO BETTER EXAMPLE of this can be found than on the occasion when he took the oath of office as

President. It was Washington who added the invocation, since used by every President of the United States, "So help me God."

Sometimes regarded as cold and aloof, Washington frequently revealed his humility in his writings. "A humble man leans not to his own understanding," he wrote, "and trusts not in it; he is sensible of the all sufficient Power, Wisdom, and Goodness of Almighty God, and commits himself to Him for Counsel, Guidance, Direction and Strength."

It is related by his contemporaries that General Washington frequently went alone into his quarters to pray. Research scholars and writers about Washington agree that he read the Bible regularly and that he always said grace at mealtime.

One is not surprised, then, that looking up at the stained-glass window the kneeling figure seems so true to life. But one wonders, too, why more of our youth are not asked to look up to Washington.

IN THE PRAYER ROOM for members of the House and Senate in the Capitol the central figure in the stained-glass window also depicts the kneeling Washington.

Those who enter may well meditate on Washington's words: "He who wishes to serve his country, if not influenced by higher motives, runs the risk of being miserably disappointed."

"Under such discouragements, the good citizen will look beyond the applause and reproaches of men, persevering in his duty, stand firm in conscious rectitude and in the hope of an approving heaven."

† Paulist Feature Service, Washington 17, D. C.

## TRANQUILIZERS ARE RAPPED BY PATROL

Tranquilizers, which do so much good for people who need them, have become something of a headache to traffic law enforcement officers.

By themselves, tranquilizers are not too much of a problem. It's when they are mixed with an alcoholic beverage that trouble begins.

"We are getting reports from all over California," says B. R. Caldwell, commissioner of the California Highway Patrol, "of drivers who appeared to be intoxicated, but a medical examination showed that their physical condition resulted from consuming alcohol and a tranquilizer. The alcoholic beverage or the tranquilizer, taken alone, might not have presented any problem to the driver, but the combination multiplied the effect each had upon the person's physical system."

The California Highway Patrol official expressed the view that most of these "intoxicated" drivers had not been aware of the effects of combining tranquilizers and alcoholic beverages.

"Nevertheless, as far as their ability to handle a car is concerned, they are just as dangerous to themselves and to other persons as they could be had they imbibed three times as much alcohol. From the point of view of the California Highway Patrol, these people are drunken drivers and will be treated as such."

## NOTICE OF GOVERNING BOARD MEMBERS ELECTION AND COUNTY BOARD OF EDUCATION ELECTION

2 Members of Sierra Junior College, Junior College District.  
1 Member of Tahoe Truckee Unified School District, Unified School District.

2 Members of Placer County Board of Education.

NOTICE IS HEREBY GIVEN TO THE VOTERS OF THE ABOVE DISTRICTS OR DISTRICTS OF THE County or Counties of Placer and Nevada, California, that the Annual Election for members of the Board or Boards of the said district or districts will be held on the third Tuesday of May, namely, May 19, 1959, for the purpose of electing the number of members of the governing boards of the districts as indicated above.

The polls will be located at:  
Precinct No. 1—Donner Trail School, Kingsvale.

Precinct No. 2—Kings Beach Elementary School.

Precinct No. 3—U. S. Post Office, Floriston.

Precinct No. 4—Tahoe Lake Elementary School, Tahoe City.

Precinct No. 5—Truckee Elementary School.

The polls will be kept open between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M.

The election returns will be canvassed at 10 a.m. o'clock on May 29, 1959, by the county superintendent of schools at 138 Maple Street, Auburn, California.

Deadline for the receipt of absentee ballots is May 28, 1959.

Forms for declaration of candidacy may be obtained at the office of the county superintendent of schools, 138 Maple Street, Auburn, California.

The last day for filing declarations is April 17, 1959.

Dated March 2, 1959.

ALBERT F. BEQUETTE

(County Superintendent of Schools)

All qualified voters of the school district who were registered at least 54 days before the election in the (general election) precinct in which this election is held may vote thereat

## CAROL LEVY NAMED ON MAGAZINE STAFF

Carol Levy, daughter of Mr. and Mrs. Milton Levey of Tahoe City, has been named to her second semester term as women's director of the California Engineer, it was recently announced by the Associated Students of the University of California. In this position, Carol will coordinate the sales, circulation, and social activities of the monthly student engineering magazine.

Her other activities in the ASUC have included the Daily Californian and Prytanean, junior-senior women's honorary society. At home she is an active member of the Squaw Valley-Lake Tahoe Ski Club.

A 1955 graduate of Tahoe Truckee High School where she served as student body secretary, senior class vice-president and as a member of the CSF and GAA, Carol is now a senior at Cal, majoring in English.

**PROGRESS REPORT**

From the Office of  
Governor Edmund G. Brown

Governor Edmund G. Brown had powerful new support for his budget and tax program this week from the California Bankers Association and the Bank of America. Governor Brown said he was advised by Director of Finance Bert W. Levitt that CBA will not oppose increases in bank and corporation taxes and personal income taxes if the legislature approves other new taxes proposed by the administration.

Levit also told the governor that the Bank of America, which is not a member of CBA, was "in full accord" with the association's position.

CBA's position was drafted by its commission on legislation and taxation. The commission includes many top bank executives in the state.

"I am glad to see a major segment of the business community raise a responsible voice in favor of putting the state back on a pay-as-you-go basis," Governor Brown declared.

Levit said the banking industry's "forthright position should put at rest, once and for all, any claims that California businessmen do not favor a balanced budget or are opposed to the sound fiscal policies embodied in the governor's fiscal program."

"I have known from the start that informed and responsible spokesmen of the business community would support our efforts to put the state back on a sound, fiscal footing without further delay," Brown said.

He added that the bankers' firm is further evidence of an understanding by business that the tax program is "necessary and just."

Brown said he has had "countless assurances of support" in the form of phone calls, letters and conversations with leaders in every sector of the California economy.

He noted that such groups as the California Teachers Association, the California Supervisors Association and the California State Employees Association have given his fiscal program official support.

Levit, whose report to the governor was based on personal conferences with bank representatives, said he is confident CBA and the Bank of America will take substantially the following position before the legislature:

1. Such new taxes should be levied this year as are necessary to balance the budget, not only for the coming year, but for succeeding years. The issue of a balanced budget should not be postponed.

2. The governor's tax program should be regarded as a sincere effort to spread the tax load equitably.

3. If other taxes proposed by the Governor are approved, the banks recognize that increase must be made in bank and corporation franchises taxes and in personal income taxes.

4. Increase in the budget should be kept at a minimum.

5. As far as possible, earmarking of funds (such as the fair and exposition fund) should be ended, except with respect to agencies supported by business fees and licenses.

Governor Brown signed into law the first bill of his "get tough" traffic safety program last week.

The measure, authored by Assemblyman Walter Dahl, Piedmont Republican, fixes a firm 65-mile-an-hour speed limit on California highways. It becomes effective January 1, 1960.

The law will replace the present prima facie speed limit of 55 miles an hour which permits motorists to drive faster if they can demonstrate that conditions warrant.

Brown said 85 per cent of motorists now travel 65 miles an hour.

"It's the 15 per cent I'm concerned about," he said. "They'll have to slow down to the same speed as the rest of us. I am anxious that this law be given aggressive enforcement just as soon as it goes into effect."

The bill passed the Assembly 58 to 16, the Senate 28 to 6.

Governor Brown's first labor bill also cleared its first hurdle last week.

The Assembly Industrial Relations Committee voted 5 to 1 to send the bill to the full Assembly with a "do pass" recommendation.

The bill provides machinery to permit employees by a secret ballot election to accept or reject a union as their bargaining agent.

It also establishes procedure for the settlement of jurisdiction strikes involving unions and prohibits striking, picketing, boycotting and work stoppages in jurisdictional disputes.

**CHURCH GROUP WINS IN THREE CONTESTS**

By Mel Moore

The seventh and eighth grade basketball team of Tahoe-Truckee High School, sponsored by the Truckee Bible Church, has closed its four game season with the following scores: Carson City over Truckee 33-32; Truckee over Nevada City's "C" team 12-4; Nevada City Union over Truckee 16-14; and Truckee over Sunny Acres

**LOCAL LODGE HOLDS OFFICER RECEPTION**

Elmay Philippi, deputy grand matron of the 13th District of the Grand Chapter of California, Order of the Eastern Star, made her official visit to Truckee Chapter No. 116 on March 17th.

A large crowd attended with Winifred Smith, D.G.M. of the 5th District and Rita Train, D.G.M. of the 4th District present, and the worthy matrons and worthy patrons of nine chapters in attendance as well as members of the chapters in Janesville, Greenville, Reno, Portola, Quincy, Beckworth, Dutch Flat, Colfax, Comptonville, and Truckee.

The officers of Truckee Chapter exemplified the ritualistic work, and a lovely presentation in the Irish theme was made to the deputy by the Star Point officers. Rainbow Girls of Hope Assembly, Diane McGihon, Rene Hall and Shirley Hall and Steffie Firpo, accompanied by Mrs. Ametta Firpo sang Irish songs, and Rene Hall danced the Irish jig.

The banquet hall was beautifully decorated in the St. Patrick's Day theme and delicious refreshments were served by the committee of Miriam Zwarg, chairman; Elizabeth Bavier, Azad McIver, and Stanley Zwarg.

The D.G.M. will make official visits to Grass Valley on April 9th and Colfax on April 14th.

**CAMERON SUPPORT WILL BE ORGANIZED**

KINGS BEACH — Local support for Ron Cameron, endorsed democratic candidate for the state senate, is being organized at a special meeting to be held in the Carpenters Hall at Kings Beach, Wednesday night, March 25 at 7:30.

The meeting is being arranged by the Truckee-Tahoe Democratic club and is open to anyone who, according to Club President Bob McLane of Tahoe City, is interested in devoting a half hour or a half week to Ron Cameron's campaign.

The special election is scheduled for April 7 to fill the vacancy left in the 7th state senatorial district when Senator Harold T. "Bizz" Johnson resigned to take office as United States Congressman in the 2nd Congressional district.

The 7th senatorial district, at present without representation, is composed of Placer, Nevada, and Sierra counties.

**Observe Date—**

Mr. and Mrs. George Kenyon observed their 19th wedding anniversary March 18 with a family dinner party.

More accidents occur in the home than in any other single place.

**56-44.**

The team consisted of the following boys: Mike Kumle, Mike Delacy, Butch Speck, Bill Holliv, Dusty Rhoades, Gene McGihon, Ronnie Brown, Chris Felte, Joe Straub, Dick Cinani, and Steve Besio. The three top scorers were: Butch Speck with 38 points, Mike Delacy with 30 and Mike Kumle with 18.

The team was coached by Mel Moore and was assisted by Bobby Williams and Alan Young.

**Local Teams Score High In Ski Meet**

The California-Nevada Interscholastic Ski Federation championships took place Friday at Sugar Bowl with the South Tahoe team winning both the slalom and giant slalom. Lee Vining was second, and Tahoe Truckee third in the boys events.

The Tahoe Truckee girls' team took first place in their events.

**BOYS INDIVIDUAL RESULTS**

In the slalom with 33 competing the results showed Gary MacSween South Tahoe, first; Sherman Reams, TnT, 6th; Doug Ball, TnT, 7th; Rex Donaldson, TnT, 19th, and Trent Giannini, TnT, 16th.

**GIANT SLALOM**

Bruce Batchelder, Lee Vining, first; Sherman Reams, 7th; Trent Giannini, 10th; Rex Donaldson, 11th; Doug Ball, 13th and Nicky Stone, 22nd. Thirty-four competed.

**GIRLS' SLALOM**

With 22 competing, Dorothy Mercer, TnT, first; Sherry Thatcher, TnT, 4th; Patti Lewis, TnT, 9th, and Jeanne Spitsen, TnT, 15th.

**BOYS CROSS COUNTRY**

Won by Dan Hedlund, South Tahoe; Dave Kettenhofen, TnT, 2nd; Nicky Stone, TnT, 3rd; Doug Ball, 4th and Trent Giannini, 6th.

**JUMPING**

Won by Dan Hedlund, South Tahoe; Rex Donaldson, TnT, 5th; Dave Kettenhofen, 6th; Parky Bechdolt, TnT, 9th and Trent Giannini, 15th.

In the cross country with five teams competing, Tahoe Truckee was first with South Tahoe second. The local team lost the Nordic championship by only 31 hundredths of a percentage point to South Tahoe.

Four local stars, Jimmy Heuga, Wayne Poulsen, Bill Connors and Gary Henry were unable to attend the meet.

Both the boys and girls teams have had a very successful season, never finishing below third place and in most either in first or second. Next year's team is expected to be even stronger.

**Ill At Home—**

Mrs. A. E. Burlingham has been at home the past week with a severe cold and it is hoped she soon will be on the recuperating list.

**BRUNKER WILL VOTE NO ON NEW TAXES**

"How will the newly-elected state senator vote on increased tax proposals at Sacramento?" is the principal campaign issue in the forth coming Seventh Senatorial district special election, April 7th, it was pointed out this week by the Brunker for State Senator Committee.

Wally Brunker, Nevada County finance director and candidate for state senator, said, "Whoever wins this election will face the decision of voting 'yes' or 'no' on the proposed tax program. It will be his most important vote at the legislature."

"A sure sign these proposals are getting 'touchy' is the word that the tax bills will come up for action late in the session."

"But I can announce now to the voters of Placer, Nevada and Sierra counties, how I stand. If elected to the state senate I will vote 'no'!"

"From my experience in government finances, I know that the tax payer deserves a better shake on the tax bill he pays than he is now receiving."

"A good example is the fact that there are millions of idle dollars at Sacramento sitting in special 'piggy-bank' funds."

"Proponents of new taxes know very well, once everyone gets 'hooked' with a consumer tax, it stays hooked for a long, long time."

HEART DISEASE PROBABLY  
HAS NOT INCREASED...

The increasing number of reports of heart disorders as a cause of death has been brought about by the success of medicine. Many persons who formerly might have died of other diseases now live long and useful lives—evenually to succumb to a failing heart which has performed its lifetime of duty.

Therefore—as we grow older, the care of the heart must be considered in our every activity. Have regular check-ups by your Doctor, and follow his guidance carefully. He probably can help to keep your heart functioning for many extra years of buoyant and happy life. Whenever medication is required, we will be happy to have you bring your prescriptions to this Pharmacy.

# Tarzan

by EDGAR RICE BURROUGHS

TARZANLAND'S GREAT CAVE OF MYSTERIOUS WIND

HIGH ABOVE THE CONTINENT, THE OUTER CAVES OF TARZANLAND'S GREAT ANCIENT VOLCANO ARE LINKED BY STEEP DARK STAIRWELLS, OR SKY-HIGH CLIFF TERRACES.

HALTING HIS EXPLORATIONS OF THE BLACK SMELTER CAVE, TARZAN RETURNED TO THE GREAT QUARTZ CAVE FOR A SUPPLY OF COPPER TORCHES AND PITCH BALLS WHICH THE ANCIENT PEOPLE HAD STORED THERE.

WHILE YOU WERE GONE, TWO BIG EAGLES FLEW IN TO THAT CAVE UP THERE!

WE'LL TAKE FOUR TORCHES...THEY SHOULD TAKE US FAR ON OUR EXPLORING TRIP!

THIS IS THE PRETTIEST CAVE! BUT WHAT MAKES THESE THINGS? THEY'RE HARD AS ROCKS!

THEY'RE FORMED BY HARDENING WATER-CHEMICALS, DRIPPING FROM THE CAVE'S ROOF. SCIENTISTS CALL THE DRIPPING ONES STALACTITES, THESE THAT BUILD UP FROM THE FLOOR ARE CALLED STALAGMITES.

MY HAIR FEELS LIKE IT'S BEING PULLED OUT! WHAT'S MAKING THIS BIG WIND?

SOME NATURAL-OR MAN-MADE-SUCTION IS SUCKING TERRACE AIR IN!

TARZAN! MY TORCHES BLEW OUT!

STAND WITH THE WIND AT YOUR BACK! I'LL TRY TO RELIGHT THEM-BEFORE THIS ONE BLOWS!

CAREFUL, TITO! I'M SURE OF ONE THING-NATURE NEVER MADE THIS TUNNEL! IT'S BEEN HACKED THROUGH SOLID ROCK!

THIS VOLCANO'S COLD INSIDE!

I SEE A SPOT OF LIGHT! FAR AWAY, BUT BRIGHT!

I HAD A TERRIBLE DREAM LAST NIGHT, DADDY---

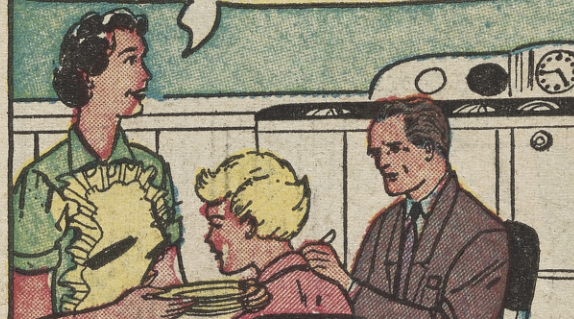

DREAMS ARE PECULIAR--I HAD SUCH A WONDERFUL DREAM LAST NIGHT THAT I ALMOST HATED TO WAKE UP.

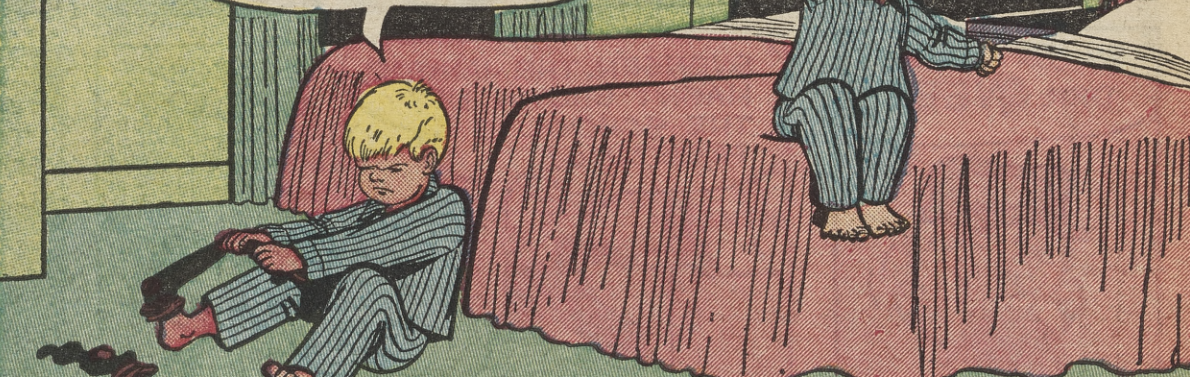

THAT SNOWMAN WE MADE WAS CHASIN' ME AND WHILE I WAS RUNNING I WAS MELTING--TILL I WAS ONLY A LITTLE DRIP.

WELL--PUT YOUR DREAMS AWAY AND LET'S GET TO BED -- WE HAVE TO GET AN EARLY START TOMORROW FOR THE DRIVE TO UNCLE JOE'S FARM.

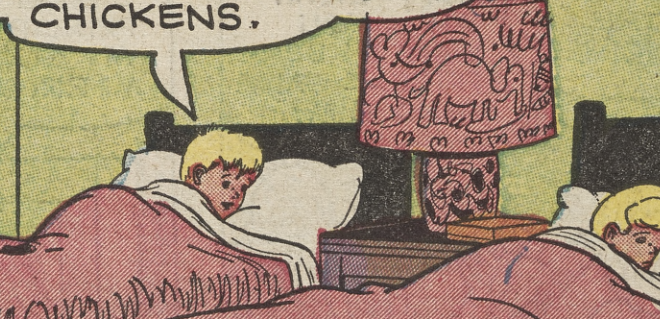

I HATE GOING TO BED SO EARLY--DON'T YOU, PENNY?

NOPE-- WE'LL HAFTA DO IT AT THE FARM SO WE MIGHT AS WELL GET USED TO IT.

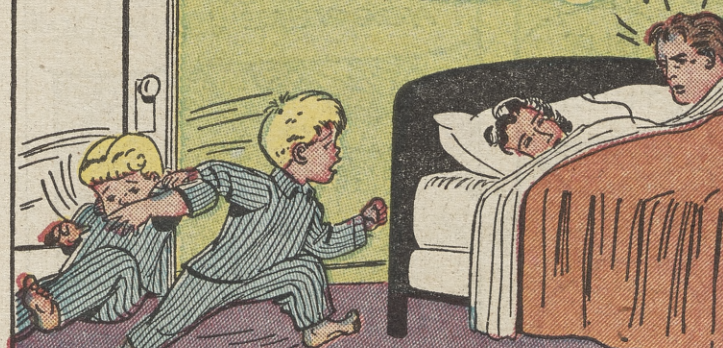

THE FARM'S DIF'RENT-- IT'S SORTA FUN GOING TO BED EARLY AND GETTING UP TO FEED THE CHICKENS.

OOPS! THERE GOES THAT DREAM AGAIN -- I CAN'T GET AWAY FROM THAT OLE SNOWMAN!

W-WHAT'S THE MATTER?

THERE AREN'T ANY GOOD DREAMS IN OUR ROOM, DADDY-- SO WE CAME IN HERE TO SLEEP WITH YOU!
